

This CD will open your eyes to what your referral business should look like. Forget the calendars, sports schedules, holiday reminders and the other junk you thought was working and learn how to make your referral database

Generate Multiple Deals Every Month

On this CD I go into specific detail on...

- The biggest "Referral Myths" that keep agents broke
- What advertising materials are a complete waste of money
- Why certain types of marketing pieces make you look like a "Realtor" - and why that's a bad thing for your business
- How you can identify your top "advocates" from those in your database that will never give a referral
- What messages force your clients to respond with new leads
- What scripts work best in prompting your clients to keep you on the top of their minds
- When and how to contact your referral base if you haven't made a consistent effort to reach out to them
- and on... and on... and on...
